# Investment strategy change

- For each Investment Option you hold and wish to exchange, tell us the percentage of funds you want moved and where you want the funds invested.
- See the SMART529 WV Direct Offering Statement, available at **www.SMART529.com**, for complete information on the Investment Options you are considering.

**Remember:** Federal law allows Account Owners to make a limited number of investment strategy changes each calendar year, as outlined in the Offering Statement.

Check this box if you want your instructions to apply to your **future investment allocations**, otherwise this change only applies to the assets currently held in your account.

\* The asset allocation of money invested in the Age-Based Portfolio is automatically adjusted over time to become more conservative as the Designated Beneficiary approaches college. The Age-Based Portfolio consists of the following Options: 0-3, 4-6, 7-9, 10-11, 12-13, 14-15, 16, 17, and 18+.

\*\* The assets will remain in the Investment Option(s) you select until you exchange them into a new Investment Option.

## 8. Investment allocations for future contributions

- Your future contributions will be invested in the Investment Option(s) you select until you change them, which can be done at any time.
- Before choosing your Investment Option(s), see the Offering Statement, available at www.SMART529.com, for complete information about the Investment Options offered.

Note: This change applies only to the allocation of your future investments; it will not affect the funds currently held in your Account.
